New Distributor in Malta

Zeag has signed a new Distributor on the island of Malta. The new Zeag Partner is CT Park Malta Ltd.

Mr. Rolf Wettstein CSO of Zeag explains: “The population of Malta is one of the most densely populated countries in the world (6th), car ownership in Malta is also exceedingly high and it is the 4th highest within the European Union.” He goes onto comment, “car ownership on the island is increasing, this means that parking and the operating of car parks is becoming more and more important as parkers look for ever decreasing spaces and demand better service”.

CT Park Ltd, a leading Car Park operator in Malta has signed a contract with Zeag to sell and use its Orion Range of products, the deal which includes not only the whole area of Malta but North African countries such as Egypt, Libya, Tunisia, Algeria and Morocco.

Mr. Kenneth De Martino Chairman of CT Park Ltd comments “The choice of Zeag as a partner for the supply of parking solutions aligns perfectly with our strategic objectives, of Quality Clients, Quality People, Quality Service and now with Zeag - Quality Products”.
